

A4 layout template for print preparation

printonline.lv

Final size: 210 x 297 mm

Layout with bleed: 216 x 303 mm

Blue line - bleed / layout size

Extend the background to this line to avoid white edges after trimming.

Red line - trim line / final product size

The product will be cut along this line.

Green line - safe zone

Keep important text, logos and design elements inside this area.

Print file requirements

- Resolution - at least 300 DPI at print size
- Color mode - CMYK
- Scale - 1:1
- Fonts - convert to outlines / curves
- Crop marks are not required
- Accepted file formats - PDF, TIFF, JPG
- Delete or hide this instruction layer before sending the final print file.

If a specific product page contains additional requirements, those requirements take priority.
