RED: 40 × 210 mm finished edge

GREEN: 36 × 206 mm safe zone

FILE SETUP

- Scale 1:1; CMYK; 300 DPI.
- Fonts outlined or embedded.
- No crop marks or guide lines in the final file.

IMPORTANT

For double-sided printing, supply a 2-page PDF: page 1 front, page 2 back. The orientation of both pages must match. Straight or rounded corners are selected in the order and do not require a cut contour in the artwork.
