1:1 TEMPLATE | POCKET CALENDARS

The artwork diagram is shown at actual size. Print at 100% with no page scaling.

BLUE: 94 × 64 mm artwork edge

RED: 90 × 60 mm finished edge

GREEN: 86 × 56 mm safe zone

ARTWORK REQUIREMENTS

- Scale 1:1 and CMYK color mode.
- Add 2 mm bleed on every side.
- Keep text, logos, dates, and important elements at least 2 mm inside the finished edge.
- Raster images: at least 300 DPI at final size.
- Fonts converted to outlines or embedded.
- For double-sided printing, supply one 2-page file: page 1 front, page 2 back.
- Both pages must have the same size and orientation.
- For vertical orientation, rotate both artwork pages 90 degrees.
- Do not add crop marks, borders, or an outer cut path.
- Accepted formats: PDF, TIFF, JPG.

IMPORTANT

Before submitting the final file, delete or hide the instruction layer if you used the template. If the artwork does not include bleed, a white border may remain around the calendar. Rounded corners use a 3.5 mm radius and are created after printing.
